

The Passageway

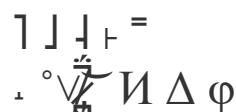

There are over 360 figures in the Passageway Gallery including many fragmentary animals, 80 signs of various types and more than 60 indeterminate images. For ensemble recitation. Options: Variously solo and choral. Duration approximately five minutes. There is minimal silence. Respect other reciters. Perform at a moderate tempo. Dazzling tone. The prompts are not in chronological order. Each constellation features three, than five, than seven prompts. Reciters engage a full constellation before choosing another. Reciters improvise.
