

Operation: since it's said two contradictory things can be true:

Thus opened up

to a place

or a memory

from wherever it started which

wasn't where it was
supposed to be

But it ended there now strings of

narrative or that is to say interpre

tations nail home the area

we should be in

I'm there now

reading a tweet

we're also Together
for an amount of time
that can stretch
that can stretch and stretch and stretch

it goes for a while exc

ept we end up back where

we came from

Which is good
when diagnosed

to find out about it

Everything great is in or rather
Everything worthwhile is in

The unexpected

meaning state of un-

and it works ult

imately intimately

we wanted that

Permanent Features

Was right about ways to stick

for the time being in the mind

the zeitgeist kissing up against and into

the ear my ear like a habit boiling down

to some kind of sick ruin

that's a memory of resistance

a song from the past

a book from the lord

some lord or moment you pray to

you pray

*

We all ring out we all get reminded

the viewpoints expand at times in a way

it's indoctrination but conformity brings with it

so many positives

as it gets balanced figured and dwelled on in a kind of compulsion that reaches

extending the spread for how much longer

whatever can be tabulated

whatever cannot

in the rain in the gray gray day with hoods on

with masks

with looks gone

erased

potential gone too and the tunnel simmering with bright fluorescence

that finishes it

that finishes it

that falls

*

Seen acres of land

messed up by toxins

messed up with poison

screwed up with drama that metastasizes

metastasizes and metastasizes past all expectations

the regular used to it what did you think would make a difference

who did the howling and what was it aimed at

the fires and smoke ash and ass-kissing assessments

feel the lack

but we don't feel it yet

we can't feel it yet

we can't it reaches out and it's like scaffolding and teeters

the *yet* that soon twists and shunts

the *yet* that's right up there nested next to love

love and poof gone for the sake of what's not

yet among us
